THE CHICAGO HARPS -
UNMATCHED IN VALUE AND SOUND.

In the spirit of the modern skyline of their namesake, the Chicago harps have a neoclassical style and design. Built with a Sitka Spruce soundboard and Hard Maple, the Chicago harps have a clear and dependable sound. The soundboard is decorated with a beautiful climbing vine and the mechanism features solid brass action plates.

An ease to play with an unmatched value, a Chicago is the perfect partner for the harpist in the pursuit of expressive musicianship. The Chicago harps are available in natural, mahogany and ebony finishes. The Concert Grand, Concertino and Petite 40 sizes come with a cover, tuning key and 5-year limited warranty.
